

marcon

Museum & Heritage Portfolio

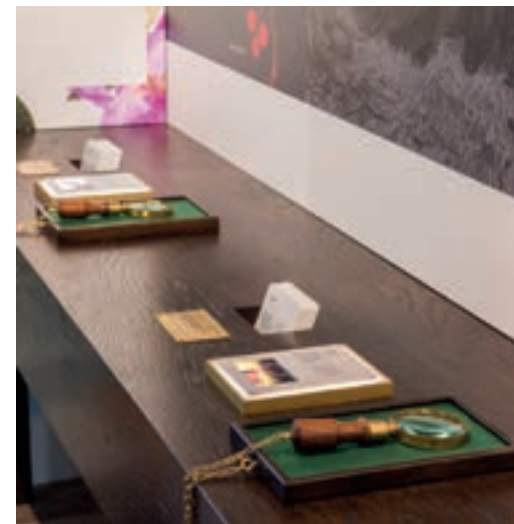

Marcon is an award winning museum/ heritage fit-out contractor with an in-house specialist joinery workshop. Operating across the UK and Ireland we have assisted with the opening of high profile museums, exhibitions, visitor attractions and interpretive centres.

We have a proven track record in the fabrication and installation of high quality museum exhibitions. We have delivered and have been responsible for the design, general fit-out, manufacture and installation of exhibition display structures, bespoke joinery and metalwork, graphics production, mount making, interactives, AV hardware integration, AV software creation, exhibition specific lighting and display cases.
